# IRON HORSE SEATING

## FAB SHEET

IRON HORSE Seating 24-Hour Chairs are engineered to withstand the demanding environments of control rooms, surveillance rooms, and dispatch centers. Our office chairs feature the latest ergonomic designs and commercial grade components.

### FEATURE ADVANTAGE

16-Gauge Sheet Metal Seat Pan  
Stronger than wood or composite frames

Evenly distributes the weight compared to a mesh or "hammock" support system

### BENEFIT

Chair will last longer & support heavier users

Minimize neck, back and leg pain for the user, thus maximizing productivity by reducing downtime

### FEATURE ADVANTAGE BENEFIT

Molded, Tooled, Multi-Density Foam Cushion

More durable than laminated cut foam

Provide durability and consistent fit assuring user comfort for life of the chair

### FEATURE ADVANTAGE BENEFIT

Bow-Tie Air Chamber Adjustable Lumbar

Supports the natural S-curve of the spine

Provide greater support and less fatigue

### FEATURE ADVANTAGE BENEFIT

Independent Backrest Recline Adjustment

Backrest adjusts to a 21° recline angle

Minimize neck, back and leg pain for the user, thus maximizing productivity by reducing downtime

### FEATURE ADVANTAGE BENEFIT

Machined Gear, Dual Spring Recliner Mechanism

Stronger than stamped, single spring mechanisms

Chair will function properly for greater lengths of time
