

# LEATHER CARE INSTRUCTIONS

IRON HORSE Seating carefully selects only the finest automotive-grade leather to exceed all standards of luxury, style, and comfort.

## **Caring For Your Leather**

Your leather should be cleaned with a soft cloth and a small amount of mild soap and water. Allow soap solution to free the soil for several minutes then completely clean off all soap with a damp, soft cloth.

**DO NOT** use abrasives.

After cleaning, apply a generous amount of leather conditioner and allow it to penetrate your clean leather for about five minutes. Then buff it off with a soft cloth.

**NEVER USE SILICONE-BASED OR ALCOHOL-BASED PRODUCTS. THESE CLEANERS WILL CAUSE SIGNIFICANT DAMAGE AND VOID YOUR WARRANTY.**
